Schroeder Associates is one of the leading Manufacturers' Rep Agencies in the Midwest. Founded in 1972, our agency has strived to uphold the characteristics that continue to shape us today; Integrity-Diligence-Honesty and providing Value to our customers and principals.

Through implementation of the above values, our company continues to experience sales growth as well as expansion, while providing the most effective service to our customer base of OEM's, job shops and distributors. Schroeder Associates is a member of the Manufacturers' Agents National Association (MANA) and adheres to their Code of Ethics. As for our customer base, we currently serve over 400 active customers in the region. We continue to grow this number and increase our market share on behalf of our principals.

Schroeder Associates provides the product knowledge and application assistance to our varied customer base. We regularly consult with engineering, purchasing and manufacturing personnel to assist in the development of products to meet the demands of today's manufacturing requirements. We represent a select mix of quality oriented and cost effective manufacturers. The average tenure of our principal relationship is 14 years.

We look forward to serving your organization.

Sincerely,

The Schroeder Associates Team
